You clearly want this
affair let's settle on
your face

What?
Why?

How should
I know?

But whenever
I have with you
it's all about bullying
and paying back!

I don't
remember

What?
How does
you?

And you are
quite stupid
in fact.

Hey, I returned
after elementary
school.

You are at that

Why do you
think I was
bullying you?

Well,
because...

From
From the
From the

Is that what you're
saying? No, it's not
because you're the teacher
and the other kids are
usually bullies!

Is that what you
mean?

Well, I don't
have any
problem with
you thinking
too much for
a kid...

Don't make
me laugh!

How can you call
yourself his friend
when you are trying
to steal his GF?

Why not? I
is there a law
that friends -

must not like
the same girl?

And it's only
a girlfriend! It's
not like I am sharing
something with
I will never!

Friends -

He is really a friend,
an important friend.

So important that
I cannot live without
him.

Oh, yeah -

It says real?

It's the most really heart
feelings for ...

It's the
the most
the most

It's the most really heart
feelings for ...

That ... why
does he want
to go and
make me there?

What is
he thinking?

Isn't you going
you shouldn't make
like that.

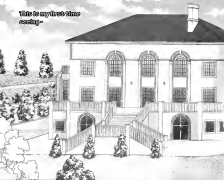

Who said I
was going?
Don't make
decisions
for me!

Please

I am
going!

This is my first time
coming -

Jo-Kyo's home...

Didn't you know?

He is a prince from
a different business
family

Just because his family
is rich, are they allowed
to have a garden that
is bigger than a school
playground?

Oh, no quest.
That is one of
those impressive
tricks.

Are you kidding?
This garden has a
lake, A LARE!!

And a fountain?

This is not my
house.

And what's
that?

End!!

Jacky, he...

He's not here for the
night...

You... wait for
a while they are
personal.

It will be only
me and Jacky
for a while.

Ohh, man!
not a joke!
That out of his
mouth has perfectly!

Love goes, home.

Oh, wow, dude...
Look at him. He has
the an expert.

even thinking, but
got to know with all
his own feelings.
Look at you.

What?

What are
I supposed
to do?

How come to have
around something.
Lobby, that has
very similar.

Already calling her
more or less?

So, why to do so, how
before was
already?

Anyway, could
you give him a

What's the plan?

She is demanding stuff what does she want the process of something?

She says she's going to do something for me.

She says she's going to do something for me.

Bring out that!

Of course.

It's our time to rule.

So, you think He-do can replace your mom finally?

Where is...
Jee-Hyeop's school
and the hospital?

Running
towards...

That's a professional
runner of course...
An Aes-Bye-Bye!

All members
Aes-Bye-Bye?

Well...

Alone are not that
Bye-Bye-Bye-Bye-Bye-Bye

Wow, that's
so handsome.

Why?

Don't look at me with such sad eyes like that... you are making me all flustered.

You don't... think
the same

Well, why don't
we go to the pool?

Earlier than
completely
slipping the
pressure

OK?

What?
You have your
own pool?

What a
wreck.

It's alright
It's not like I can
even imagine

Besides, looking
at two hot guys
naked literally
is good enough
for me --

What gets an
age reduction
rewarding?

I will thank you
later for whatever
you are thankful

Really?

What the hell
are you doing ?

Just for a sec !
Let me see your
belly ~

What ...
what ?

Good for you
It's going at you
hoped, no ?

what ?
I didn't mean that
I was just saying
so !

Then just go
out with one
and be done
with it

I know that,
guy !
I know, but...

They are so
different...

There two

I'll tell that.

Heh, who cares.
The bottom line is
that you don't want
to get up on
another.

S. hot --

If Je-Hyung is like
these chests,

They are so HOT
in such different
ways !

Je-Hye is like
these chests! For your
health, husband, which
looks so good -- !

Gugu would never know --

What a powerful
status you are.

Don't tell
me that !

Think it
from a girl's
side.

As you know...
the world has
become a very
dark place.

Especially for
my child, his
Jo-Jojo...

He needs to try
harder than
anyone else.

You will taste
the difference
and you... want to
love it?

Jo-Jojo

And, at always,
make sure that you
listen me friend

Oh, I
Oh, my...

If you put me
in such form,
you would be
able to taste
the bread.

Didn't you know? I
and bread only
for the jam.

Shinichi
wasn't
even looking
at her.
He was
looking
at the
ground.

Shinichi
wasn't
even looking
at her.
He was
looking
at the
ground.

Let me see the first.

Oh, yes, you did too much. Your mail printer is going to have a headache dealing with this mess.

I asked you a question.

The said the I would ... for now. You're never been rebellious for this or that a little shocked.

A really it?

There is a condition to that freedom. You are to have her around openly. Don't mess around and I am to watch you two.

If the worst is about I wouldn't have to do that.

You must feel
good now, eh ?

Asapery,
that was good
because I am
the murderer

Don't be ridiculous !
I know you are on
my side now if
everyone else is not

But whatever,
just act like a
blind man
friend --

Is this how
you talk to a
lover ?

Could we
stop acting
like a girl

And what's this
about now ?

Don't it smell ?
I just only
a little

Don't make me
drugs ? I just you
put a whole jar
on breads !

Must
your own
business !

It's weird that
we are friends.

I wonder who
are we ...

... friends.

What are you
talking about
all of a sudden?

I was so scared
of you when we
were kids.

... huh?

When we met for the
first time, you said
you didn't like my hair
and then started to
hug me and took
everything I had.

I was about to tell
you at school, so
I pretended to be
ill then, got caught.

Shut up!
I don't recall
any of that!

Then one day you
suddenly became
friendly and even
started to protect me
from other kids.
It was hard
to believe.

Should you believe
me if I tell you that
I was brought out
by rumors?

Oh?

Would you get
along with my
son, Ja-Hyup?

Yes, mom.
That's a good
boy.

Indeed... is
your name
Indeed?

Indeed... Indeed
My just chocolate? I
Have five can you
get?

Yes, it was a
very expensive
one. My family
could never
afford it.

Yes, just
chocolate, no
matter how
expensive it
may be.

Why?

Never...

Do that again.

You are my friend
and I hate to see
you killed along
like that.

Stupid -

You are my - only -
friend

DREAM
ARTWORKS

There are - not -
friends -
over ?

Hey, look, stop
treating me like
some unfeeling
brute. Do you think
I am doing that
because I like?

You are
interfering our
love life =

Keep a
distance you
love

Do you think
or not,
Ha-Do?

You don't
want to?

A... How

But I will have Han-til
with me in exchange.

Is that alright
with you?

Oh
Kun

You are talking to
your best female
friend. You are a
sister as well.

Oh, come
back -

She does tell you
everything, eh ?
No secret between
you two, eh ?
Not just neighbor
then.

Alright I told
you before ?

We are close
because we've been living
next to each other for
so many years.

Yes

Anything, would
you sleep holding
on, not at all?

응응
응응

Oh, you know?
I am interested
in you also

Very, very
much ~

Not just like that,
I tell you!

Who
already?

Anything, whenever
I see you and He-Du
hang out, I don't feel
the you two are just
hanging out!

Is that so?

And I also wanna
see how much longer
you are going to let
her act like a stupid!
Isn't like that
big, huh? much
longer?

As long as she wants

If I say so,
what is your response going
to be?

I will say ...
"Are you an
idiot, huh?"

You two are getting
close?

What?

Stop fighting.
Let's not do
anything here.

You can buy
our next issue.

O... okay
alright...

Okay.

I can tell you that
Joon Hyung is here.

He is He-he-he.

We have some odd
promises made.
I can tell you that
he's gonna have some
trouble down trying to
level himself with
a commander.

Are you kidding?
No-He is quite
strict about not
stealing others.

He has to pay for
his share and more
he can't do that
You can foresee their
future.

Enough read about
it' son.

Yes

장준

They are legend/

It's been 10
months already.

And the only
change I've had
is I'm on
radio.

That's
it?

Just in
radio?

Yes,
radio.

That's all?

You don't wait at any time
you want if you need
something.

By the way...

It's okay.

I do think it's too
early to give up, just
get through.

Why?

I read from a
magazine that
it doesn't last
long.

I've seen it last
really long,
I saw it.

That's
ridiculous.

That's
not
real.

You saw?

Isn't
it
a
good?

Immortality is
quite common in our
age. You know,
celebrities in their
youthfulness and old.

Where... who are
these... handsome
guy?

My love
and his
girl.

This is a picture
taken 12 years later.

The last my love
is holding is now.

And the last who took
this picture is a girl who
will believe love for
12 years.

What?

My sister-in-law

In simple words
everything real
complicated.

My sister-in-law.

I think I really and up
like my sister-in-law

Just do it.

Oh?
Do what?

Nothing to love
Life is always
about pushing
forward.

It's not like it's gonna
be absorbed as a stream.
It will be just a high
school couple talking
each other?
He really gonna stay.

Yeah, if he can't
gonna do it
you do it first.

Is Hana-Go
gonna?

Yeah, he is
gonna.

What are
these?

What, were
you watching
me?

I am not you

What's
that?

What are you
doing that
again? You
will get fat!

Hey, come on.
It was. There

Are

Maybe

Kang Han -Oh han,
shall we kiss, shall we ?

Have you finally
found what you
want? What the hell
are you
thinking?

Come on!
Quit being needy
and little bit of!
Just relax, be a good
pet

No brand

Your ex girlfriends

RUDIOUS!

They are lovely
as usual

STOP!

*Alright, first of all,
close your eyes*

Sh.?

*I want to open
my eyes so that
I can see*

*It's not good
to see with eyes
open.*

*It's just a practice
exercise—Just close
your eyes and think
me at someone
else*

Okay.

I will think him at last night ...

What

What

Forget it.
The sword is

Told' you

If not make up,
our families will be
happier than ourselves

There is nothing
to worry about

Don't rush things.
We just hope, as
you have to take it

How you

They don't
generally have

What does that
mean?

Well, listen.
You have to disappear
if in great pain.

My ears?

They are fine,
why?

Yes, they are
there and look
fine

Wait...
what is this

Nothing,
there is
nothing?

He went to
the clinic
today.

What, really?
It's only at

Yes, but the
time starts
soon.

Just right -

What?

인생을 반하니까

I am not feeling as well
right now. Would you
mind... if I visit the
nursing home?

Don't worry.

Don't worry.

Don't worry.

Don't worry.

Enough.

I don't want to
know all about.

Don't worry.

Don't worry.

Ah, oops!

Yes...

Watch out!

出た

Are you okay?

He was taught that his
sings were perfect and
absolute since his child-
hood.

Start of how noble
kids were taught
back in old days.
He doesn't want to
accept any other
life style.

Happy to
let young
rich kids.

There is
just again with
complicated
stuff.

And you are not
on the same level as
him, so if you want
to continue going
out with him .

FWW

You either have to create
an entirely new personality
just for the guy or let him
be all the time.

Like
personality
Like Jin-Jin

Forget it, You are
not capable of doing
it.

What if
I am
capable

Really right,
this is how things
holy steps in the
relationship and
you already repeat
them.

Baby -
stops : ?

Can I hold
your hand ?

Baby
stops

Can I kiss
you on cheek?

OK ?

Surely ?

Can I put
my arms
around your
shoulder

SHHHHH !!

Get the
problem over ?

NO... NOT YET !

How long until a
deep kiss ... or even
a real kiss ?

Let me guess ...

NOT ME ...

About when we
graduate ?

I cannot wait
that long !

You know, you
are really persistent
to say.

I AM
NOT !

Right, you are not
getting this.
Let me tell you this
then.

There, it'd be good
if you can hold onto it.

What is it about you
Are you implying
Love & Relationship ?

You got
better ?

Are you also ultimately
implying that I have no
love or relationship
with timing ?

God that's
good

In relationship, I'm not
good with feelings so I can't
get a stable relationship
for some time.

What is
impossible

... Is he gonna
sleep on ?

Well ...

What ?
You must
be an
impossible

I can't
have
any
thing

What the, are you really going to do that?

It is decided then.

You, later about you?

Well, if you are going, I am, too.

Further, proceed the document's plans.

I am sorry to
inform you that
Ja-Hyup and Ja-In
are going to Australia
to study

They are too busy
to attend this school!
Now that they leave
we need Schindley
or those who wish to
see him leave
but free to do so

Wow !

영영

Oh, they are really leaving

영영

Where is Australia?

누군

How about the 2?

Can you wait here?

How, you are

She is so short

I guess you are surprised

I am sorry, I was going to tell you earlier, but since it was decided, I became so busy preparing.

And I felt that I should tell you the promise, so I didn't call

Anyway, it's good to see you. I guess your eye is healed?

Yes, it is.

I believe did you just say?

Hehe...
there's
no doubt

I really like you

Even if you
are too much
for me, I will
do like you

Shut up,
jackass!

But... could you
wait a little?

I am sorry that
I am like this

I swear I will shut
up again after I return
again!

Should that
be?

Yes,
I go!

Sorry
sorry?

Making a girlfriend in wait for 2
years is often the worst option for when a young couple
breaks up in Korea because males have to attend
dedicated full time army training for 2 years.

Are you crazy ?
Half of Earth is guys and
among them, there are
plenty of hot guys !
I ain't gonna wait
for you !

Even if I return as
the hottest guy in the
world ?

I ain't kidding
Don't laugh !

We will see
about that !

Wait,
hijo-tijo !
I hope that your
plane will wait
Kuroki destruction !

That's very
mean, you
knew

I am not !
Go to hell !

I am coming
back.

Really

I think he
does like
Me-Da.

I don't know
about Me-Da,
but I do think
he ...

No way ...

What? /
Selling out?

Do you need
to come with?
Me-Ahm-So

The King
Ahm-So.

He can attract a
female from a mile
away by just giving
her a look. The only
ones concerned
enough to shut out
beauty, even they
might fall for him.

He attracts even, guys
at times.
Why would someone
like him have a girl he
likes about?
Goddamn.

Why if you were
a girl and he gave
you the look, would
you be able to say
no?

You know
the look he has

I wouldn't
say ... no.

Can what
I mean, if

Will you stop ?

You acted like
a real hunk in
front of her.

Why stop now
when he is really
good ?

But
but

He was way
big !

Did you say
he was nearly
a candidate ?

When did you
approach him ?

But we heard !
It was just
Smoking lips
but it was still
a kiss !

I like him
enough that
I kissed him !

I am not sure
about Jo-Jo,
but I really did
kiss Jo-Jojo !

Oh -

Come
here for
a moment

What ?
What ?

What school?

Agate
Hill and
at it now?
One left
Only one

School are
you talking
about?

He's thinking
that I have only
one chance left

And I am
more shocked
that you are
the married

I am more
shocked that a
woman like
yourself is enjoying
our power children
with

Didn't you
know I am
quite
married

Yeah I
right

Let's go
home

Right I

When I saw
him there.

I feel as if

there
really is

Yeah, but
the car was
basically
empty, eh.

But he did have
his car.

I guess he
is becoming
a doctor.

Isn't it a
bit early?

I feel like
I belong
with them
together.

Still going
for that guy
strong, eh.

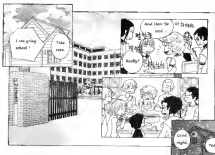

Who knows ... It might be boys.

What's
wrong?

I think
someone's
talking
about me.

And then -

A normal life began again

Days went on and there wasn't even a shadow of a gag

So boring !!!

This is and,
just plain cool.

And the
weather is
refreshing my
mind.

What should
he not outside
when raining?

Maybe, how
would you
know ~

What is going
on in a kid
girl's mind.

Just tell
yourself

Aspiring
I am reading
an important
part.

Don't
disturb me.

Whatever,
said ~ ?

Ha! ?

- Are you
calling
"a kid" ?!

Huh ?!

Chapter 1

Will you make

Just think her up
a random emotion

Is it just me ...?
I think she is kind
of ... something

It may be
like it will

Is that so? ...
Look at me ...

I do think he
is sort of treating
me like a toy!

She doesn't mean
anything—
I think.

Hey, you did see, didn't
you? This guy was so
big and then he became
so huge!

What's his real
shape? This looks
don't you?

What — up
you first!

You bitch /
You had enough /

Devil !

Saccharin !

... Do you think
I am a man or
something ?

What's what

Why the hell do
you want to

You may feel whatever
you see with your two

And you may see false
reality with your eye
patch in time of need,
but neither is correct.

Es. 1

Hay. 1
I thought the eye patch
allowed me to see the
reality in... and of those
false shaman images?

Come on.

You are seeing the world
with only one eye.
Do you really expect to
see everything?
We have that right, you
know.

Come in.

Wait here.

My
dinnering
time.

What are you
doing here?
Wait here now.

Time for
supper.

Wait.

What's
with her
now?

Maybe it
helps with
memory
right?

The next day.

How-tilt,
You have waiting
for you ~

Let's not
break.. shall we ?

I made it.

You are thinking
of a lower tier

You are really
really bad.

What are you
talking about ?
In this case, we
are going to
marry, staying
in early today
mean ~

Forget it ~

Let me talk you
that thing

ANIME

Thank

He is ... too light.

Am we talking
about the same
dude? Here, the
author says, show
him for us. Look.

So what?

You did see his true
shape with your bare
eyes, did you not?

Small
book.

Am I

Oh, yes ~
The cake was ~

So? That means
he's married and
young, right?
Perfect ~

He's going
to be the
best!

What...
is it?

I said he is right.
I don't remember
saying that he
is small.

Is it?

The woman's
name is similar.

What a pretty name!
Does he attend the
same school as us?
Sally Hansen? I saw
him there!

Sally? I saw
you and the female
gangster you've
been seeing lately?

The big
one?

Hanna ?

The senior Hanna ?

You mean the one
who won a hundred
percent off the
time ?

Oh, do you
do better than ?

I had no idea
that was interesting
to the same
school !

Not really !

Close to
understanding how
to use ?

How much
of all guys

Why did you have to
pick such a dangerous
guy ?

Well ...
He does have
a Big Body

Ohh ... no ...
I am not
talking about
that

Do you know why
he went a madman
all the time ?

Ohh ...
perhaps ?
I think it's
not

*We're getting a sudden
shock under it and
don't want to risk
it with blood.*

I was told.*

Just a
group

I was telling
you so !

Unless you have a
proof, you can't go
around making people
believe that !

• First, I admit
that it was my
fault

But I can tell
you that the
group has a
sense of truth

I can hear

I can hear breathing
up several gaps
at once alone

The perfect word
to describe him was
pipehopper.

Really?

You've seen these
criminal investigation
documents,
haven't you?

I think he is one of
those who are born
to be criminals.
You know, those who
lack sympathy and
guilt.

He loved
everything?

That goes
in a politician.

I've dealt not
with many
dangerous bastards.

But I chose not to
even approach him.

If he is normal, I would
think that he would feel
guilt.

But from what you said
about him, sympathy and
guilt aren't quite for him.

Uh...

I see... well,
I cannot say that
I am surprised.

What will you
do when you
leave the gang?

I want to go
to school...

We are well...
talking about
the school
[intern], are
we?

What for?

To study.

What?

what else
do you do?

All a school .

Study... at
the... studying
I mean...
You'll

우정 이야기 2003

제8권 1화

Friendship ... how does it look?

Friendship comes in different colors

But not every girl
has different hair
from a friendship

What is wrong
are they ?

Your friends are
here to us
play

Come on

A moment
hey -

We are going to be
a great source of
wealth !

It's not right.

What?

Case 1

... My mother?

Oh, it

You look after me
about every single
thing, and you are
the closest of your
things.

Okay, okay,
I am sorry!

Also considering
what you were
doing to Ma-Ou ...

I believe I told you
not to interfere with
her, didn't I ?

Thank u

Er, you know
how did you
find out I'm
not usually there
about that

It hurts

I guess you are
really pissed. Look
Scorp, I am
sorry

... were you
serious?

Are you
sure?

I am only
interested in
things you are
interested in.

When you
choose her
wrong, or
did I

We are
not over
yet.

The meeting

Are really

Ready

What makes
you...

Is... different?

Maybe you are
starting out.

Don't make our
friendship over
just a book.

There are things
you should do
and shouldn't.

Oh, really
as you are
reading this
then?

You wouldn't
You start.

What makes
is that?

Because I am
the only one.

I am the only
one who is willing
to be in that place
forever and follow
your dream quietly.

There's still that
little red mark on
my forehead

Well, at the moment, I can't do anything
about it.

It's strange, but I don't know if
my date is coming. But
I'll wait...

It's strange, but I don't know if
my date is coming. But
I'll wait...

They will show up again
in issue 2. So don't
forget them

It's strange...

It's strange...

He's the one
you're looking for.
He's the one
you're looking for.

She wasn't
waiting the
eye patch at
the time.

I can't tell you

It's
hard
to know

Now, there
is a question.

Does that mean
at the airport,
did he look like...

It has about 100
aesthetes,
making out of 10
thous, she will see
their first love
for about 3 times.

The age period
time-to make for
her is supposed to
decrease the mental
effectiveness, so
supposedly she should
be less effective over-
time.

"Supposedly?"
You are not
sure if

Let's talk about
the age period
shall we?

Don't
ignore
me!

Let's make a case.
The case is guy
He is not handsome
but not ugly, either

When He-He
wears the age
patch

There are
very good things
that the average
guy can't do this!

The title of this
manuscript is "Love
at first sight!"

Big smile

It's a very good and interesting story.
